

Cora (SR Robnie's Bailcor at Glendair CD JH VDEM HRD dog)

Her mom was the number one show Labrador in 2006 and her dad is one of very few Champion/Master Hunters in the breed. So she has some pretty big shoes to fill. And she is doing it quite admirably. She's the first girl dog I've trained and lets just say she doesn't work or train the same way the boys do... Her favorite environment is urban searching. Give her backfiring buses, messy construction sites, collapsed buildings and include her yellow ball and she'll call it heaven. Then mix in a little blood spatter and buried bones and the game is on for her! One of the greatest things she's done for me is given me Deacon, her son by another CH/MH that is one of my replacements for Finn.

In her spare time she bosses the boys around to do her bidding.
